

Good morning, Eisenhower Families,

This is Principal Tim Chipman. We are getting close! Thank you to so many of our families who have both successfully completed registration for their children and provided updated proof of residency. Now, we don't want to leave anyone out, so, please, help us ensure that your child is included on an Eisenhower class roster this fall by fulfilling both registration and proof of residency requirements.

If you need additional assistance with either of these, please call the school and set up an appointment with school secretary Miss Tracie (217.245.5107).

I am excited to share three dates with you:

- First, students' classroom teachers' names will be made available to families via Skyward Family Access after 4:00 p.m. on Thursday, August 10.
- Second, students and families are invited to "Meet the Teachers" and see our facilities on Monday, August 14 from 5:30-6:30 p.m. here at the Eisenhower modular units on the campus of JMS. For this event, families may park in the JMS parking lot and enter the main doors of the modular units, directly between the two buildings, just up the silver ramp. This is also the perfect time to drop off school supplies. A complete listing of school supplies by grade level can be found on the [Eisenhower School website](#). (See "For Parents" tab.)
- Third, and most importantly, students return to school on Wednesday, August 16. Doors will open daily at 7:30 a.m. More information on the logistics of arrival and dismissal will be forthcoming.

I'm so excited for the year ahead and can hardly wait to get started!

*To be shared 8/4/23 9:00 a.m.*
